Subject: 2015 Living Local Harvest Festival - Cape Light Compact sponsorship level?

Good Afternoon All-

As you know, Living Local is the big event that Cape Light Compact attends/sponsors on the Vineyard. This year we contributed \$8,000 towards this event. I wanted to follow up and see if you would like to continue sponsoring this event at that level, or if you have any other suggestions or comments.

If you would be able to send me your comments by Wed 11/19, I would appreciate it!

Thanks!
Lindsay
