Subject: Admin Help
Date: Wednesday, January 07, 2015 11:20:54 AM

Gentlemen, we at the housing committee are grateful for the assistance of our past admin(s) and would like to have you begin search for a new person who can fill Jenny's shoes. We have a lot of work ahead and while Chuck has offered to help short term, it is with the caveat that it not be long term. Can you begin the process or advertising for a new person ASAP. Thank you. Jim
