Re: Trustee retirement

Dear Selectmen,

I'm writing on behalf of the library Board of Trustees to let you know that our Chairman, Norman Freed, announced his retirement at our meeting today. Norman has been a member of the board since 1997 and was a member of the Friends of the Library before that. We deeply value his decades of service to the town and the library and will miss him tremendously.

The Library Trustees have heard from another community member, Heather Quinn, who is interested in filling the position until the next town election and we've asked her to forward a letter of interest to you. For the record, we appreciate Heather's desire to serve the community and the Trustees have endorsed her candidacy. She is the director of the Chilmark Preschool and has previously served as a library trustee in Vineyard Haven when she and her husband, Robert Lionette, lived in that town.

Cordially,

Ebba Hierta
Library Director
