Subject: CCC-Waiver of Fee Request
Date: Monday, December 22, 2014 8:31:41 AM

Chilmark Board of Selectmen,

I am writing on behalf of the Chilmark School Parent Teacher Organization. We are hosting a fundraising event at the CCC on January 24th, 2015. This is the primary fundraising event of the school year where we raise funds to support our School Outing Program.

The Outing Program affords the 4th and 5th grade Chilmark School children the opportunity to spend 1 week on the Alabama in the fall, a ski trip to Maine during the winter and various other events which serve to build life-skills in an alternative learning environment.

In support of our fundraising efforts, we respectfully request that the rental fee be waived for this event.

Thank you for your consideration,

Ellen Biskis
Treasurer, Chilmark School PTO
