To The Selectmen:

I am writing to express my interest in filling the current vacancy on the Planning Board. I am a resident of Chilmark and a registered voter.

I returned to the Vineyard in 2010 after having spent almost 25 years off island and having started a family in West Tisbury in the early 1970s.

I have extended family in Chilmark including my cousin Roland Kluver My wife Maureen, who serves on the Conservation Commission, and myself, have recently completed construction of a residence in the town and I would like to do my part to serve the community and make a contribution to its well being.

My work experience has been in construction as a project and a construction manager. Besides my construction work, I also served as the chairman of the architectural committee for the Castellammare neighborhood in Pacific Palisades CA.

I look forward to hearing from you

Sincerely,
John Eisner
