Re: revised letter for Daniel Larsen (first letter incorrectly referenced Aquinnah Conservation Commission)

Dear Abutter: Town Hall

Massachusetts General Laws Chapter 131 Section 40 requires any person filing a Notice of Intent with a conservation commission give notification to abutters.

As such an abutter please note that a Notice of Intent has been filed with the Chilmark Conservation Commission on behalf of Daniel and Marie Larsen to abandon an existing septic system, install and maintain an upgraded septic system, underground water and electric utilities and revegetate part of the buffer zone. The proposed work is located at 2 Menemsha Crossroad, Assessor Map 26, Parcel 100, Chilmark, MA.

Copies of this Notice of Intent are on file with the Chilmark Conservation Commission at the Town Hall. For more information or to examine copies contact the Conservation Commission at the Town Hall (508)-645-2114 or this office.

At least 5 days before the public hearing, a legal notice will be published in a local paper.

Sincerely,

Reid G. Silva, PE/PLS
