Dear Chilmark Board of Selectmen:

This is a request to the Board of Selectmen.

I would very much like to remain on the Squibnocket Pond District Advisory Committee. I co-chair with Leanne Cowley. We work very well together. I serve on the committee as a representative of the Martha's Vineyard Garden Club.

The health of our Pond is very important to me. I hope I can continue to work with the Planning Board and the Town of Chilmark to improve the water quality of our beautiful natural resource. There is much work to be done. I am attending a conference in June on Phragmites. There are new possibilities for controlling the spread and for actually using the weed in an economical way, i.e. paper making, bio-char, animal feed etc. Getting a handle on the Phragmites is our biggest challenge!

**THANKS VERY MUCH.**

Sincerely yours,

✿

Wendy Weldon
