Dear Billy, Warren, Jonathan:

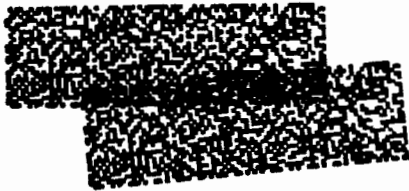

Board of Selectmen

Please accept this letter in application for appointment as the Town representative to the Martha's Vineyard Center for Living Board of Directors. I understand that the Center for Living Board acts in an oversight capacity for the programs and services that are provided by the non-profit Center for Living, and financially supported by all six Towns through the annual budgeting process.

With this appointment, I expect to act as liaison from the MVCL Board to the Board of Selectmen.

Respectfully Submitted,

Susan K. Kempf
