Re: Reappointment to the MVC

I would like to be considered for reappointment to the Martha's Vineyard Commission with effect from 1 January 2016.

This would be, I think, my 3rd full year as the Town's appointee. I have been a regular attendee at Commission meetings throughout my tenure. This past year, I served on the selection committee for the new Executive Director; I currently serve on the Executive Committee and the Finance Committee; and I am chair of the Planning and Economic Development Committee. In addition, I have been active in reviewing a number of Commission policies – namely the DRI checklist and the Building Demolition policy.

I hope you will consider my continuing interest in serving the Town as its appointee.
