Dear Abutter:

Massachusetts General Laws Chapter 131 Section 40 requires any person filing a Notice of Intent with a conservation commission give notification to abutters.

As such an abutter please note that a Notice of Intent has been filed with the Chilmark Conservation Commission on behalf of Frederick N. Khedouri to trench for a new electric service, construct a retaining wall, construct support piles and extend a deck. The proposed work is located at 10 Harbor Hill Road, Assessor Map 27.1, Parcel 101, Chilmark, MA.

Copies of this Notice of Intent are on file with the Chilmark Conservation Commission at the Town Hall. For more information or to examine copies contact the Conservation Commission at the Town Hall (508)-645-2114 or this office.

At least 5 days before the public hearing, a legal notice will be published in a local paper.

Sincerely,
