Re: Bike MS: Ride the Vineyard, April 30, 2016

Dear Selectmen:

The Martha's Vineyard Boys & Girls Club would like to, once again, request permission to hold part of the annual Bike MS: Ride the Vineyard (charity/pledge bicycle ride) in your town on Saturday, April 30, 2016.

The Ride the Vineyard is a collaborative fundraising and awareness event for the benefit of the National Multiple Sclerosis Society and the MV Boys & Girls Club. This annual event attracts over 600 riders and their families to the Vineyard from all over New England.

As always, the ride committee will work closely with the police department and emergency medical personnel to ensure the safety of the runners and the public. Police detail officers will be positioned in locations the department and ride committee deem necessary.

Enclosed, please find a signature form which must be submitted along with application to the Mass Highway Department for the road use permit. Your assistance in helping to obtain the signatures of an authorized official in each department is appreciated. I must submit the original, signed document to Mass DOT prior to the end of March.

I am more than happy to speak with you, and or attend the next selectmen's meeting, if you have any questions, and can be reached at 508-627-3303.

Thank you for your consideration and service to the town and Island.

Sincerely,

A handwritten signature in black ink, appearing to read "Peter Lambos".
