

Dear Chilmark Town Hall,

We at CONNECT to end violence extend our sincere gratitude for your support of the MA White Ribbon Day campaign. By hosting pledge sheets at your workplace, more community members who wished to engage in the event were able to be reached and help spread the message that we all can be a part of the solution in ending violence against women. In addition to the pledge and MV Times advertisement, our program also created a White Ribbon Day video which can be found at MVCS website:

Thank you again, and please know that your efforts mean so much to us and the survivors of domestic and sexual violence in our community.

Sincerely,
The CONNECT Team
