Hello Tim and Diana,

Jason Snow and I are directing the third annual Vineyard Triathlon again this September. The race will be taking place on Sunday, September 11th, 2016. We would like to be added to the next BOS meeting to receive the written permission we need for the DOT. Below please find our official race proposal, and attached is a map of the bike course that will go through Chilmark.

Thank you in advance for considering our race. Please email details of the meeting we will be able to attend.

Best,
Jen Passafiume and Jason Snow

April 22nd, 2016

Dear Mr. Carroll and Mrs. DeBlase,

We are proposing the third annual Vineyard Triathlon on Martha's Vineyard September 11th, 2016 starting at 7:00am. This year will be the same event line up as 2015. We will have the half iron distance triathlon, sprint distance triathlon, and a kids triathlon. We are anticipating between 300-400 total competitors participating in the event. The race will be based at Waban Park in Oak Bluffs. This will be the place for registration, bike racks, and transitioning. This is also serve as the start and finish line for the event. The swim portion of the race will take place at Inkwell Beach in Oak Bluffs. From there, bikers will ride a 56 mile loop of the island. Riders will enter Chilmark on North Road, then turn onto Menemsha Road toward Beetlebung Corner. Racers will then turn onto State Road and loop around Aquinnah. They will re-enter Chilmark on State Road, then turn onto South Road and

head back down island. See attached race route for more information. We will hire the same police set up as last year. Additionally, there will be volunteer race marshals on the course to help direct, and ensure safety of the racers.

You may visit our website for further race information. www.vineyardtriathlon.com

I am a teacher at The Chilmark School, and I am really looking forward to working with the town to continue this event. Thank you for your consideration.

Best,

Jennifer Passafiume and Jason Snow
