Re: Temporary Youth Services Librarian

Dear Selectmen,

At their May, 10 meeting the Chilmark Library Board of Trustees recommended the hiring of Olivia Larsen to fill the temporary position of Youth Services Librarian. Olivia has the education and experience we need to fill this position while our regular Youth Services Librarian is on leave.

Olivia has been working at the Chilmark Library since she graduated from college in 2012 and she earned her Master's Degree in Library Science in 2015. Of the six people who applied for the position, she was far and above the best candidate. She is working part time with us presently and will be able to take on the duties full time on June 20. Please join us in welcoming her.

Sincerely,

Ebba Hierta
Library Director
