Subject: Crohan Chamber Music Concert Fee Exemption Request
Date: Saturday, July 09, 2016 10:46:40 AM

Hi Tim,

It was nice to see your mom (and you) yesterday at Town Hall. I used to tune her piano in the old house in the old days and we haven't spoken for many years.

David Crohan has been playing piano with the noted cellist Joel Krosnick who summers at Clam Point. David is planning a concert at the Chilmark Community Center on August 21. I'm helping with the arrangements and I'll be donating a piano tuning as well.

If you can give him a break on the fee for using the center it would be great as the event is by donation at the door. David plans on giving all of the proceeds to Island Elderly Housing.

Thanks for your consideration on this request.

Sincerely,

David Stanwood
