

## Announcing an Upgrade to the HRSentry Service to Enquiron®

*Massachusetts Interlocal Insurance Association is proud to present enrolled members with a unique opportunity to experience even more value from the risk management service that is included with membership at no additional charge.*

Since 2006, MIIA has partnered with HRSentry to provide best practices and HR-related tools to members through a web portal. That access will continue and now with enhanced benefits from Enquiron that will bring even impact to you as employers to save you time and money.

**Starting in September 2016, members who login and enroll for the services will notice a few changes...**

- New Feel to the Site** – The upgraded site will feature a customizable preference center, enhanced search functionality, while still maintaining sections such as What Are You Doing Today?
- State-Specific Resources** – A state-specific employee handbook and policy building tool provides members with an opportunity to update complaint policies that apply to public entity employers in each state
- Upgraded Tools & Resources Section** – Up-to-date federal and state-specific resources such as posters and forms sortable for specific states, a job description builder, and online sexual harassment training is all included
- Thought Leadership** – Webinars that provide hot topic information are held live approximately three times each quarter, and HR personnel who attend the sessions are eligible for HRCI certification. These sessions are also recorded and posted on the site for viewing after the session closes. Recently speakers have addressed topics such as Employee Handbooks, Hiring, and Termination
- HR Express Updates** – Monthly emails include relevant information and encourage understanding of what other employers are facing and how to address those challenges and can be set to arrive at desired intervals

### Next Steps – How to Take Full Advantage

1. If you know you are not yet enrolled and would like to be, please contact Mary Ann Marino at [mmarino@mma.org](mailto:mmarino@mma.org) and she will make sure you are set up on the new system.
2. A live demonstration of the services, will be hosted on September 20<sup>th</sup> 2:00 pm ET and September 27<sup>th</sup> at 10:00 am ET. More information on this webinars to come!
