Subject: CDBG Proposed Changes
Date: Thursday, October 27, 2016 9:53:21 PM

My sincere thanks to all of you for your efforts in changing DHCD's earlier policy decisions regarding the CDBG program.

Your letters and advocacy resulted in a major shift in direction that will make the CDBG program available to the majority of Cape and Islands towns.

While there are dramatic changes for the upcoming FY17 grant round these changes are thoughtful, well-considered and fair.

In the weeks to come we will be considering each application strategically to determine the best possible route to securing funds.

Thank you for all of your efforts on behalf of the low to moderate-income residents in our communities.

Best,

Alice
