Subject: Response to your letter

 > Dear Warren ,
 >
 > Thank you for your letter , dated November 1, 2016. We appreciate your thoughtful
 > response to our concerns and very much want to work with the town to find a
 > solution . To that end, we engaged Larry Beals to devise a plan to situate the safety
 > buildings at an alternate location .
 >
 > Considerable time and effort were invested in creating this plan which is now complete. We would like to present it to
 > you, the other selectmen , and the PSBSC on Friday November 18. Any time and place you suggest for us to meet is fine.
 > If that date is
 > inconvenient, I can make myself available over the Christmas holidays but I do think
 > meeting this month would be much better.
