Subject: Raffle Permits

Hi Dilly & Chilmark Selectmen,

I am requesting a permit to organize a raffle which will offer the 14 foot, fully equipped (even motorized!) fishing kayak which I was awarded last Sunday for catching a 23.53 Striped Bass from my kayak during the MV Derby (yes, a real miracle!). The raffle will benefit the fishing communities along the southwest coast of Haiti which were devastated by hurricane Matthew. I was told that the kayak was retailed at \$5,000!

I have organized many similar raffles for the Martha's Vineyard Fish Farm Haiti Project and the town of Tisbury always issued the permit and wavered a fee .As Fish Farm Haiti is now legally a 501(c)3 non-profit, tax exempt organization based out of Chilmark, MA I need Chilmark to issue the permit.

I am forwarding the information Hillary sent me from the Tisbury Town Office to facilitate the process.

Thank you!

Margaret
