Hi Jack –

Please complete the forms in draft with new Banjo info and I'll finalize. I note the USCG registration included with Pliske survey expired [REDACTED]. Obviously we'll need the current one to submit with slip docs.

Questions, which you or Hollis will likely need to check with [REDACTED] in the Harbormaster's office:

1. Will slip fee increase due to larger size of new Banjo? ✓
2. We've paid for 50A service in past. I know Peter's installing 100A for new Banjo (at Hank's expense). Will the 100A increase annual electric fee?
3. If there is an increase for slip fee and/or electric, will they send new forms reflecting correct charges? Or should we note adjustment on current forms?

Thanks.
