RE: Important Information on Price Changes

Dear Chairman and Members of the Board:

We are committed to delivering the entertainment and services our customers in your community rely on today, and the new experiences they will love down the road. As we continue to make improvements to our products and services, and as programmers charge more to carry their networks, our cost of doing business increases. As a result, starting December 20, 2016 prices for certain services and fees will be going up.

While some prices may have increased, we are always investing in technology to drive innovation. We are working hard to bring our customers great value every day and exciting new developments in the near future, including the following:

- The most TV shows and movies available On Demand
- Innovative X1 Voice Remote that makes searching for shows and movies easier
- Self-service options to save our customers time and adapt to their schedule
- Access to Netflix content on XFINITY X1
- Fastest, most reliable in-home WiFi
- Fastest Internet in America according to Speedtest.net
- More than 14 million WiFi hot spots nationwide

Customers will receive notice about these changes within their bill received after November 20, 2016. A copy of the notice is enclosed. If you have any questions about these changes, please feel free to contact me at 508.732.1536.

Sincerely,

Michael Galla
