

Representative-Elect Dylan Fernandes Launches District Wide Listening Tour

NOVEMBER 28, 2016

Today, Representative-Elect Dylan Fernandes announced that he is launching a district wide Listening Tour with stops in Falmouth, Nantucket, Oak Bluffs, and Chilmark.

Accessibility, transparency, and community engagement were themes throughout Fernandes's candidacy as his campaign knocked on over 8,000 doors, made over 20,000 phone calls and held dozens of Meet and Greets. Throughout the campaign, Fernandes spoke about his vision for a more vibrant and equitable district. The Listening Tour is an opportunity for residents to talk about their vision for their community, share concerns about the issues they are facing, and submit comments and recommendations.
