Dear Town of Chilmark,

Over the past 40+ years, the Martha's Vineyard Arena has transformed from a seasonal, open-air rink to a fully enclosed, year-round facility. Throughout these years a community and a culture has also evolved, and the Arena has become a haven for both the Island's young and the young at heart.

I would like to invite you to be a part of the next phase of the Arena's evolution; a \$3.4 million renovation to be completed in 2017. As a member of the MV Arena Board of Directors I have personally committed my time, talent, and treasure to this project, and it is my hope that you will join us.

The MV Arena Renovation Project will modernize the facility, replace long outdated equipment, vastly increase energy efficiency, create a greater overall user experience, and most importantly – assure the existence of this unique recreation facility for generations to come.

Since mid-July, we have raised over \$1.5 million from private sources, and have now committed ourselves to raising an additional \$1 million through a public campaign prior to the end of the year.

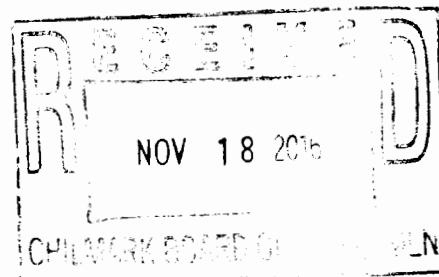

To help us make this happen, a generous donor has anonymously pledged to match the first \$500,000 in community donations we receive. In addition to this, Bruno's Rolloff has agreed to match the first \$50,000 in donations from our customer base.

In simplest terms, this means that your donation will be quadrupled.

It is through the support of the island community that we are able to make great things happen. Enclosed are a few documents that will help you to better understand the scope and importance of the project, as well as a project contribution/pledge sheet. Please feel free to reach out to me if you have any questions or comments.

Sincerely,

Gregory B. Carroll
Board Member
Martha's Vineyard Arena, Inc.

Peter Lambos
General Manager

The mission of the Martha's Vineyard Arena is to provide a safe, healthy and self-sustaining recreational facility that will fulfill the ice skating needs of all the residents and visitors of Martha's Vineyard.
