To Dennis Jason
Town of Chilmark
Po Box 119
Chilmark, MA 02535

I spoke to someone at the DEP about the Stage 1 Form C that Dennis Jason received and was passed on to Menemsha Texaco. The DEP would like to speak to Dennis Jason regarding this form.

Menemsha Texaco has since received its Stage 1 Form C. This form I am familiar with and will be filling out. I do not know why the DEP now thinks that the town owns and operates a fuel dock, maybe someone filled out a form wrong? The DEP representative believes it's a mistake but would like to speak to Dennis Jason regarding this.

The fuel dock is town owned but the dock is leased to Emmett Carroll. Please if need be straighten this out to avoid any more confusion in the future. Please keep me informed about anything that might come up about this matter. Thank You.
