Subject: Documentary Shoot: Filming on Menemsha Permissions

Hi Tim, Diana, and Brian!

My name is Annie Coburn, and I'm a producer out of New York coordinating a small documentary shoot in Martha's Vineyard. We're looking for a beach to film on between 1/13-1/15; it will be a very small crew, three to four people, a camera, and possibly a tripod. I'd estimate that the shoot would be for about two hours.

Would you let me know if there's any specific paperwork or more information that you'd need in order to grant permission for us to do that? And please let me know if there's a more appropriate person for me to approach in order to obtain a permit.

I can be reached at 646-539-8189 if you have any questions.

Thanks so much,
Annie Coburn
