

Massachusetts Freight Plan

You are subscribed to Massachusetts Freight Plan updates from the Massachusetts Department of Transportation.

Join the Massachusetts Department of Transportation (MassDOT) for the final
Open House for the Massachusetts Freight Plan:

Wednesday, May 24, 2017
4:00 PM to 5:30 PM

New Bedford Free Public Library
Meeting Room, 3rd Floor
[613 Pleasant Street, New Bedford, MA](#)

The Massachusetts Freight Plan will define a short and long-term vision for the freight system in Massachusetts and identify solutions to current and future challenges to the freight system. Similar to the first three events, at the fourth and final Open House, the public can learn about and discuss freight issues and trends with industry experts, and provide input on the Freight Plan development.

As part of this effort, MassDOT has also convened a Freight Advisory Committee (FAC). The fourth FAC meeting will take place immediately before the Open House on **May 24 from 2:00 PM to 3:30 PM** at the same location and is open to the public.

Please visit the website at www.mass.gov/massdot/FreightPlan to sign up for email alerts and learn more about this important project.

For questions, please email the project manager at Gabriel.Sherman@state.ma.us or call **(857) 368-8866**.
