Dear Board of Selectmen,

I have been serving on the Beach Committee and would like to be reappointed. I am interested in serving because I think I bring a particular, and long term knowledge to this position. I also serve on the Board of Assessors and contribute a strong fiscal awareness to the Beach Committee. Please consider my reappointment.

Sincerely,

Clarissa Allen

It's annual appointment time again.

You are serving in a position with a term expiring this month. Please write the Selectmen short note or email if you would like to be reappointed to, a town board, commission, or committee by May 15th 2017. If possible, please include a short summary of your interest in serving.

Thank you!
