

Hi Tim,

It was great to meet you today. Thank you again for the helpful suggestions.

I hope this fits what is required for the Selectmen. If you think I should add or remove anything, I'd be happy to hear.

Selectmen,

Thank you for your service. I lived here 25 years ago, and having just moved back to Chilmark, and having lived in Bali for the last 13, I know a town this kind and well run takes work.

I would like to lead some yoga classes on the beach in the mornings at Menemsha. I don't know the best time yet, perhaps 7:30 or 8. Three days a week. While I won't charge, I will accept donations.

Hopefully some peaceful and positive energy in the mornings can help offset any of the evenings that might be less than ideal for the town.

Thank you for your consideration and if there's any more info I can provide, just let me know.

Kindly,
Daniel
