Subject: Caitlin's request/proposal

Dear Selectmen,

Jesse Keller and I (Caitlin Cook) were hoping that we could use the main space at the community center to rehearse our dance pieces in the last 2 weeks of August 2017, for the upcoming ART on the Vine festival at The Yard in Chilmark.

Also we would like to request use of the community center in the upcoming school year for rehearsals and potentially and community showing of works in progress.

I, Caitlin Cook, will attend the select men's meeting Tuesday August 8 and will bring a more detailed proposal at that time.

Thank you for your consideration.
