Re: Declaration of police department's ATV as surplus

I am requesting that the Chilmark Board of Selectmen consider declaring the Chilmark Police Department's ATV as surplus.

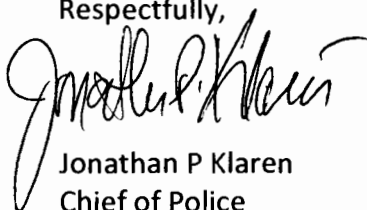

Veh info;  
1996 Polaris ATV  
Model # W968040  
VIN# \*2942397\*

The Chilmark Police Department does not have a current use, nor anticipate a future interest in using this vehicle. Currently the fire department has both a UTV and ATV that can be used in emergency situations (ie. Beach rescues or search and rescue missions)

I do not feel that the costs of getting this vehicle into working order as well as future maintenance is worth the expense. Looks like the NADA guide estimates the value of this vehicle \$200-400.

Thank You for your consideration.

Respectfully,

Jonathan P Klaren
