IMPORTANT INFORMATION ABOUT YOUR ACCOUNT

Dear Comcast Business Customer:

We wanted to let you know about some upcoming changes to charges for your Comcast Business TV service.

Currently, the first TV Adapter on your account is included with your Comcast Business TV service at no additional charge. Starting October 1, 2017, the first TV Adapter on your account will be billed separately at \$0.50 per month. As a way to assist you with this change, you will receive a discount of \$0.50 for the first TV Adapter charge for twelve (12) months starting with your next bill. The monthly price of your Comcast Business TV Standard service will be combined on your bill with your Comcast Business TV Basic service for a single line item charge and will still apply at the combined price of \$59.95 per month, or \$74.95 per month if you are a single product video service customer.

In addition, if you have additional TV Adapters on your account, the Service to Additional TV with TV Adapter charge will decrease from \$9.95 to \$7.75 per month.

If you have any questions or would like to inquire about making changes to your account, please contact us at 800-391-3000.

Thank you for being a Comcast Business customer. We know you have a choice in providers and appreciate the trust you put in us to serve your business every day.

Sincerely
