Hi Tim & Dilly,

I hope this finds you both well and that the summer was fun and relaxing. Below are the ridership numbers for July and August. Route 12 did the same thing this year as it did in 2016, making the comparative more useful. Significant growth in August 2017, which is very good to see. I didn't review the weather comparatives for July, but that drop can likely be explained by either the 4<sup>th</sup> falling on a Tuesday this year or weather.

	2016	2017
July	2,118	2,032
August	2,433	4,158
