Honorable Selectmen:

I would like to hereby submit the end of the year report for the 2017 Beach Sticker Office. It was another successful year, my third and second for Dash.

I am grateful to Tim Carroll for his oversight of the office in assuring that we are able to efficiently, effectively and responsibly carry out our duties.

Dash Christy has been a great asset, learning new skills and has achieved the ability to responsibly deal with most of the issues that arise on a daily basis. He is a quick learner, a pleasure to work with, and always willing to assist as needed. We make a great team!

On an average day, we serve more than thirty customers, many of whom bring their families along with them, thus having to respond to the questions and requests from approximately fifty people each day in less than three hours.

Many variables needed consideration for the summer of 2017, including Squibnocket not opening until 1 July 2017, the conditions at Squibnocket and the reluctance of customers to even consider purchasing a sticker, and the weather being very different than the sunny days of 2016.

Our most busy days were 30 June with 58 customers - 114 transactions for a total of \$5400, 1 July with 53 customers - 104 transactions for a total of \$4590 and on 2 July 48 customers - 109 transactions, for a total of \$4590. All transactions were in the Beach Sticker Office on those busy days and were not Online transactions!

The totals are as follows:	2013	2014	2015	2016	2017
Lucy Vincent Beach	1274	1345	1251	1649	1685 Total
Lucy Vincent (Re-Issue) (*Combined with Squib)				279	236

TOTAL AMOUNT	\$161,525	\$159,105	\$186,305	\$197,610	\$197,830

In 2015 N/A are due to the fact that the previous database did not accurately capture the actual amounts. Landfill stickers were sold on a limited basis in 2015. Shellfish stickers were not sold in the Beach Sticker Office in 2015. * Indicates that the re-issued stickers were combined in 2013, 2014, and 2015. ** Indicates the total online sales were included in the totals for 2016 and 2017.

Once again, my gratitude for being a part of your summer program. Thank you.

Respectfully,

June Manning
