Dear Mr. Carroll,

Attached for your information and dissemination to your Board of Selectmen/Town Council is the Cape Light Compact's (Compact) monthly Energy Efficiency Report. The Report reflects the program activity for all of Cape Cod & Martha's Vineyard and breaks out the detail on a town-by-town basis.

Below is a summary of the activity in your town for the month of January, 2018. To view each of your monthly reports from 2006 forward, please visit our website at www.capelightcompact.org/reports.

- 9 residents and/or businesses participated* in the program.
- \$1327 in incentive dollars were distributed to the 9 participants.
- 2042 kWh was saved through implementation of these energy efficiency measures.

If you have any questions on the attached report, please contact me at (508) 375-6636.

Sincerely,

A handwritten signature in black ink that reads "Margaret T. Downey".

**Please note that the number of participants may not correspond directly to the number of customers in your Town. As required, the Compact reports a customer as a participant for each energy efficiency program in which a customer participates. For example, if a customer has a home energy assessment and submits a dehumidifier rebate, they are counted as "two participants." Additionally, pre-determined lighting assumptions quantify participants dependent upon number of bulbs sold.*
