Subject: reappointment

To: Selectmen
From: Andy Goldman
Re: Appointments

Notwithstanding that I have just had my 83d birthday, my interest in the Town and desire to contribute continues unabated. Consequently, unless there are other candidates preferred by you, I would be pleased to be reappointed to the Park and Rec Committee, the Housing Committee and the Harbor Advisory Committee.

I appreciate the many opportunities for Town work you have afforded me through the years and, if re-appointed, look forward to continued service.
