Shellfish Department and Board of Selectmen:

I am writing to request a transfer of my oyster farm grant located in Menemsha Pond to Jeremy Larsen Scheffer. Although I obtained the grant in hopes of starting a farm, my path led me in other directions and time did not permit me to oyster farm. I spoke with Jeremy at length about his aspirations and plans for the oyster grant and I think he will be a great addition to the Town's shellfish community.

I want to thank the town, selectmen, and the shellfish department for the opportunity you gave me. I hope the Town finds this transfer request agreeable. If you need any further information or have any questions, please let me know.

Respectfully,

Elisha Weisner
