Hello Ms. Martina Mastromonaco:

My name is JeTaun Taylor, Assistant Location Manger, for the Netflix series She's Gotta Have It Too. We'll be filming an episode of the series at Martha's Vineyard this July 2018. Our Director would love to film the sunset on Menemsha Beach for this episode and we're wondering what approvals/agreements are required for us to make this happen.

This will be a short b-roll shoot with a minimal skeleton crew. If you have any questions please by all means do not hesitate to call, text or email. We appreciate any help you can provide in facilitating the shoot and cherish our status as welcomed guests.
