Hey Tim,

Hope this finds you well. Just talking to Michele again from the Travel Channel and saw that my note to you did not go out. UGH!

Just so we are official regarding the upcoming shoot -

We are excited to welcome The Travel Channel show Delicious Destinations to film at Home Port on Monday, June 25<sup>th</sup>. They will be highlighting our restaurant's lobster rolls and they hope to include some shots of Menemsha and Chilmark to tell the story. We know that the town requires the filming team to pull permits and submit proof of permission from any Menemsha (Chilmark) restaurants participating. With that in mind, we are hoping you can honor their request. This is for your consideration at the Tuesday, June 19<sup>th</sup> meeting. Should you have any questions please do not hesitate to reach out ! My cell is best 2 [REDACTED]
