To the Honorable Chilmark Board of Selectmen,

At our Monthly Tri-Town Ambulance Committee meeting on June 6th, 2018, I made the recommendation to the Committee that we hire Belinda Booker to the new 30 hours a week position. The Committee fully agreed and supported this recommendation.

Belinda has been with Tri-Town Ambulance for four years now, with three as an EMT and one as a Paramedic. Belinda is a strong Paramedic, with great clinical skills, and works very well with all members of the Service. She has a great rapport with the citizens that we serve, and fits in incredibly well with Tri-Town Ambulance.

We would like to recommend to your board that Belinda Booker be appointed to the 30 hours a week position, with an effective start date of July 1st, 2018.

Sincerely,

Ben Retmier
