To the Honorable Chilmark Board of Selectmen,

We would like to carry over 5 hours of Allison Graczykowski prior year vacation time for one week.

Due to having limited time off, 40 hours per year for fiscal year 17 and 18, she had saved as much time as possible to take a family trip out of the country and ensure that she'd have time for remainder of year to attend to child care.

Thank you for your consideration.

Ben Retmier
