

# **Learn About Community Access**

## **Attend Community Access Monitor Training**

This Two-Day Community Access Monitor (CAM) training will inform and educate on how to make your community more accessible.

The CAM Training is designed for both the individual that seeks to advocate for increased access in their community as well as for the individual who wants to better understand their obligations to provide access to the disability community.

***The Community Access Monitor Program is Presented  
by: The Massachusetts Office on Disability***

**Where:** White's of Westport, 66 State Road, Westport

**When:** Tuesday and Wednesday, September 11<sup>th</sup> and 12<sup>th</sup>, 2018 from 9am to 3pm both days. Please see registration details on the other side.

**Co-Sponsored By:** Fall River Commission on Disability, Southeast Center for Independent Living and the New England ADA Center

### **Training Overview:**

- History of Disability Laws, Regulations and Rights
- Regulations of the Massachusetts Architectural Access Board
- Americans with Disabilities Act Standards for Accessible Design
- New Construction/Alterations and Existing Facilities
- Effective Communication
- How to Survey a Facility
- How to Advocate for Access
- Rights and Responsibilities of a Community Access Monitor
- The training concludes with participants discussing and analyzing a basic site survey.
