Subject: Open letter re marijuana on MV
Attachments: Open Letter re marijuana use education.docx

Dear Selectmen, County Commissioners and Town Administrators,

I am working with a work group comprised by the MV Hospital, MV Community Services and the School District among others to address an issue of legal marijuana and what that means to our community and our kids.

Please find attached an Open letter that our work group would like to public in the local paper the week of the Ag Fair in August. We are planning to attach signatures of influential local people that represent health care, education, local politics and prevention and treatment services. I am told It will be signed among others by the CEO of MV Hospital, Exec. Director of the MV Community Services, Pediatricians, Superintendent etc. I was tasked with collecting signature in the political arena. Please let me know if I can add your signature to the list.

Thank you

Martina Thornton
