Dear Timothy:

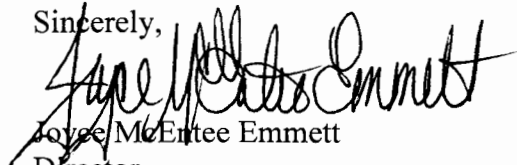

Congratulations! I am very pleased to inform you that our review committee has approved your qualifications for the designation of **MCPPO** as of **06/30/2018**. You are among a growing group of professionals to earn and receive a designation for your participation in the Massachusetts Certified Public Purchasing Official program. Award of this designation demonstrates your commitment to excellence in public procurement.

As you know, you will be required to keep your knowledge and skills up to date through continuing education activities in order to retain your **MCPPO** designation and **apply for recertification in three years (2021)**. There are many sources of continuing education credit; the requirements for activities or programs that will qualify for continuing education credit toward re-certification are enclosed. Information about the **MCPPO** Program's future seminars or re-certification requirements may be obtained on our website at [www.mass.gov/ig](http://www.mass.gov/ig).

If you have any questions please feel free to call me at 617.727.9140 x48835.

Congratulations on your achievement!

Sincerely,

Joyce McEntee Emmett  
Director  
MCPPO Program
