

I would like to invite a member of the Chilmark Selectmen to be a speaker at the next meeting of the Chilmark Democratic Town Committee Meeting which will be held on:

Sunday, April 7, 2019 2:00 -3:00 pm
At the Chilmark Library

Our agenda is to look at local issues that impact Chilmark and what actions we can take to positively influence them.

We are also looking at legislative issues currently being considered by Representative Dylan Fernandez and Senator Julian Cyr that impact our town and Martha's Vineyard.

Please let me know if a representative of the Board of Selectmen can attend to give us an update about local issues.

I look forward to your response,
Margaret Emerson
Chair, Chilmark Democratic Town Committee
