

Dukes County Retirement Board,

On September 18, 2018, the Chilmark Board of Selectmen accepted Chapter 467 of the Acts of 2008.
This Chapter read as follows:

This act amends G.L. c. 32, § 3(2)(g), creating a local option that will allow municipalities to elect to place uniformed employees of a municipal or public emergency medical service who are certified at any level by the department of public health as an emergency medical technician in Group 4.

The Town of Chilmark understands that MGL c.32, §3 mandates public employees working a minimum of 20/hrs weekly to participate in the public pension system. Therefore, emergency medical service employees that are scheduled of minimum of 20/hrs week will be placed in the retirement system and designated as a Group 4 member.
