**Attachments:** Proposed Homesite housing 6.9 bylaw amendment less than 1 acre.pdf

Hi Marina,

As you are aware the Housing Committee has been discussing proposing a zoning bylaw amendment for Homesite housing that would allow development of a Homesite on a parcel less than 1 acre.

Would you please bring the attached Draft Proposed Homesite bylaw amendment to your next Board of Health meeting for feedback.

Thank you,

Jessie

The Secretary of State's office has determined that most e-mails to and from municipal offices and officials are public records. Consequently, confidentiality should not be expected.

providing they can meet BOH reqs currently in effect we are supportive of the minimal proposed change to the bylaw.
