BOARD OF SELECTMEN  
CHILMARK, MA

GENTLEMEN,

This is a letter of support for Jeremy Bradshaw as you make the nomination for the replacement of Chief Norton as he retires.

I have known Jeremy for many years and know and respect his qualifications as one of your most dedicated and well qualified Chilmark firemen. Before becoming a local fireman he was in the US Navy and was in a damage control team which included firefighting.

Jeremy has always been available to take on any firefighting job needed. I've seen him in action and have been impressed with his knowledge and "go gettun attitude".

Resident and former Asst Fire Chief
