Subject: Re: Expert Meeting records

Hi Marina and Jim,

We do not have minutes from the meeting. We had prepared a set of minutes and were planning to forward them to Haley and Aldrich for review. But, before we could do that, we received the memorandum from Mr Lasser and Haley & Aldrich. At this point, we are planning to comment on the Lasser/H&A memorandum and we have dropped plans to create a set of minutes.

Additionally, we are in the midst of making some changes to our last map. We will send the updated map and the comments on Mr Lasser's and H & A's Memorandum as soon as we can. Hopefully, you will have them in a day or two.

Best,

Charlie

During his presentation to the Squibnocket Committee on October 15, Mr. Parker mentioned that experts working with the SFHA and those working with FoS LLC have met and have reviewed the available data contained in the respective proposals of these groups. It was indicated that records of the meeting could be made available to the Squibnocket Committee. The Committee would be interested in seeing these records, as they could assist the Committee with its work.

Thank you,

Marina Lent
