Meeting Room 3 - 6:00 P.M.

Members Present: James Stavola, Stan Soby, Jason Sherman

J. Stavola called meeting to order 6:00 P.M.

New Business

Mr. Stavola stated the purpose of this committee meeting was to discuss ideas for Fund raising Projects to secure additional items for the Town's police force not supported in the overall Town Budget.

Mr. Soby stated that items obtained through fund raising should benefit the town as well as the officers. Soby gave examples for fund raising projects such as a K-9 Dog Program, additional training for police officers such as fingerprint schools, front line supervisor training, and a digital speed sign for traffic enforcement.

Jason Sherman, co-owner of Cafe Mangia stated that he has several ideas on presenting fund raising projects which would involve several businesses in the community. He indicated that the support and participation of the business community is very important.

Mr. Soby also stated that a booth at the local car show that is on the town green every Wednesday draws many citizens to the green. Soby stated that having a booth with officers along with a new cruiser and the Dare car would be an excellent way of having a sticker drive for the police.

Mr. Stavola suggested that additional meetings be held to formulate a list of events and attempt to seek viable dates and locations for a possible sticker drive. All agreed.
