1. Call to Order

Commissioner Parlee called the meeting to order at 6:31p.m.

2. Discussion Regarding Police Commission and Resident State Trooper Program

R Parlee asked the Sgt. how the commission can do more for the police dept., such as budget, funding and communications. S Martinez stated per the Resident Trooper contract that is in place until 2019 he handles all the day to day operations of the department, along with the officers. Stated he did not need any specific help with any projects at the moment but if he does he will reach out to the commission.

Discussion on opportunities to support the police department and the Sgt. General feeling among the commission is that they are not doing anything of meaning for the town and the police department at the moment. They are looking for direction from the department. Sgt. Martinez did not have any known opportunities at the moment or near future.

NO ACTION

3. Adjourn

D Marvin moved to adjourn at 6:53 p.m., seconded by C Vaillancourt. Unanimously approved. MOTION CARRIED.
